Dear Greg,

On behalf of the General Officers of the International Union of Elevator Constructors (IUEC), our 30,000 members and their families, and our IUEC staff we want to thank you and your talented team for making our dream of a Member Memorial into a stunning reality. You devoted a tremendous amount of care, craftsmanship, and love into creating this beautiful and peaceful sanctuary for the family and friends of our fallen members.

Throughout the entire project, no matter what curve ball was thrown your way, you and your staff were unfailingly dependable, meeting every deadline, and always remaining consummate professionals. With a project of this size and significance we were grateful to have such a dedicated team bringing our vision to life. From start to finish we were confident that we had selected the right people for the job!

We have enclosed a video of the Member Memorial Ceremony we held in October 2019 so that you can experience for yourself just how your work is touching the lives of so many. The families and friends of our fallen were truly overwhelmed with emotion as they walked through the Memorial and were so grateful to know that their loved one will never be forgotten.

Again, it was a privilege to work with you on such a meaningful project and we look forward to working with you in the future.

With sincere appreciation,

Frank J. Christensen
General President
